

# ALAMGIR HOSSAIN

MECHANICAL DESIGN ENGINEER | WEB DEVELOPER

I am a dedicated, hardworking, and proactive Mechanical Engineer with a strong background in design and safety improvements. I have Siemens NX & AutoCAD experience in designing, testing, and analyzing processes to increase the overall efficiency of operations. I am currently looking for an opportunity to utilize my technical skills in a challenging working environment and become a valuable asset to the organization that I work for. As a new engineer, I'd like to demonstrate my strong desire to become a fast learner and to demonstrate my sincerity and energy through thorough hard work and honesty.
